

Counseling Training is now offered in two modules: Track One (Basics), Track Two (Advanced)

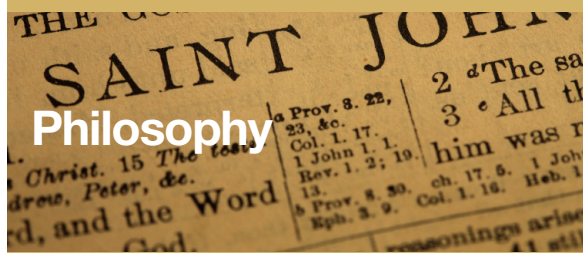

The Track One Module

includes the Basic Training Course and the Level One Certificate upon completion. This course is designed to lay the foundation for counseling people biblically. It will help you reach out to those hurting around you, influence others for the glory of God, and be more effective in your personal ministry. This course is required to obtain ACBC Certification.

The Track Two Modules

are designed to equip people to help themselves and others who are overcome with particularly challenging issues of life. They give advanced, focused instruction and interaction over topics of spiritual growth, issues of sin, counseling philosophy and practice.

The Discipleship Ministry of Clearcreek Chapel is dedicated to the total sufficiency of the Word of God in counseling. It is our conviction that God has not just provided some of the answers, He has provided all of the answers for the non-organic problems of man in His Word. (2 Peter 1:3).

These courses teach truths and lessons we have learned from God's Word and how to help people grow and change through a Bible-centered, Spirit-filled, disciplined life of godliness (1 Timothy 4:7). We are committed to promoting excellence in Biblical discipleship and counseling within the church.
